God gave us His Word because everything in it is for our good and His glory. It behooves us to study ALL of it. In this study of the book of Daniel we will be looking at Daniel - the man: how he got to be who he was, and Daniel - the prophet: how God used Daniel to give insight to His People - some for the Israelites of his day, and some for us in our day.

Daniel's prophecies include now-historical events as well as events that have not yet happened. We will see what God's Word says, match it to historical events when able, and ponder the prophecies that have not yet happened.

We will have 5 sessions covering topics such as Adam & Eve (Y-Chromosome Adam & Mitochondrial Eve), The Gospels (The Deep Sea Scrolls), Jesus's Resurrection (The Shroud of Turin) and more! This will lead us into November and December where we will look at Jesus's birth through the lens of his historical and cultural context. For questions, reach out to Brian Coyne.

We are continuing this year with Grow Curriculum. Each month has a different theme and we will be spending the next few months mostly in the Old Testament.

September "HELP!"-In this series, we'll help kids see that they can always call on God for the things they need. As kids hear the story of Israel escaping slavery in Egypt (and what happened afterward), they'll discover that God helps us when we're helpless, helps us in our weakness, helps us when we're in trouble, and will even help us help others. God is the help we need — always!

October "Road Trip"-In this series, we'll introduce kids to some of God's "rules of the road," from Moses and the ten commandments all the way to what Jesus called the Greatest Commandment — to love God and to love our neighbors as ourselves. Together, we'll discover that we can love God and others by putting God first, worshipping God, loving our families, and loving everyone.

November "Breaking News"-In this series, kids will have a chance to journey with a few prophets — Micah, Amos, Zephaniah, Ezekiel, and Isaiah — to discover news they can count on. Kids will learn that when things go wrong, they can choose what's right; when they worship God, they can be sincere; when times are tough, they can count on God; when they are lost, God will guide them, and that they can be faithful just like God is faithful.

The church is a worshipping community! And worship is not just something we do on Sunday mornings, for an hour, it encompasses all of life! Does that mean we should be walking around every day singing songs and listening to sermons all day? Not exactly... but it does mean that what we do on Sunday mornings should impact how we worship God with our lives Monday thru Saturday. Join us as we seek to have the gospel shape our worship all week long!

Nothing of eternal value happens unless we join God where He is working, and discernment like that comes from being deeply connected to Him through prayer.

Lead with Prayer will inspire and move you to cultivate an authentic culture of prayer, first in your own life and then in the lives of those you lead.

If you ever asked 'Lord teach me to pray', this book study may be your answer.

GriefShare is a thirteen week video seminar and support group for people who are grieving the death of someone close to them. The current series runs July 18-October 10th but you are welcome to begin attending our group at any point. Each weekly session is "self-contained," so you do not have to attend in sequence.

On October 17th, we will have a special session called "Surviving the Holidays".
