

Mrs. Howard's CLASS NEWS

A NOTE FROM THE TEACHER

This week went super fast! Your kiddos are doing such a nice job of writing their names. We are almost to 100%! Thank you to those parents working at home to help your little one master this important skill. ☺. The kids had a great time carving pumpkins! Some really got into it, others not so much. Pictures are on Instagram if you would like to see how they turned out.

I have finally got the kinks worked on with my page on the website. I will be updating it this weekend and then will be posting the newsletter weekly, posting the snack calendar each month along with posting pictures on there as well for you to view.

Thank you everyone who participated in the popcorn fundraiser for the school. Our classroom sold about \$1500.00 worth of popcorn! You guys are amazing!

Pictures are coming home today.

WHAT'S HAPPENING IN...

Our daily 4 this week consisted of the following:

ABC- dot it spot it (letter d)

Writing- dog and illustrate

Fine Motor- roll and graph

Halloween pictures

123- copying and extending patterns.

We also spent some time talking about rhyming. They had a great time with our rhyming bat activity. Next week we are introducing rhyming through nursery rhymes.

Next week, we will do a unit on spiders.

Continue to practice letters/number recognition at home.
