

## 3rd Grade English- Week of October 17th

### **Last week:**

- We finished up addition and subtraction.
- We learned how to use a thesaurus.
- We learned a new set of vocabulary words.
- We prepared for conferences.

### **This Week:**

- We will begin multiplication using equal groups for solving.
- We will continue with character traits in reading small groups.
- We will learn about conjunctions, long and short vowels, and compound sentences.
- We will write postcards to other states about our school.

Students have new vocabulary words they can be practicing at home in addition to reading each night for 20 minutes.
