A NOTE FROM THE TEACHER

Happy New Year! I hope you all had a blessed and Merry Christmas. I want to again thank you for all your notes, gifts, and love for Christmas. I am truly blessed to work at St. Anthony's and with your little one each day.

We are looking forward to the remainder of the year. We have much to learn and do. We will continue our weekly focus on letters, numbers, and a theme. It is our goal for all our kiddos to know all upper and lower case letters before Kindergarten. Our goal for numbers to identify and write numbers to 20.

We will continue to spend time on this at school but spending 10-15 minutes at home will help your child easily master those skills. I would be more than happy to provide you with any activities to use at home to help.

WHAT'S HAPPENING IN...

Our first 2 days back were spent getting back into the routine. We reviewed shapes and then share items in the real world that are different shapes. We also talked about making goals, we did a shared writing about what they wanted to learn. They then wrote their own goal for 2019. I hope they have great success!

A note, went home about an upcoming field trip. This will be on Thursday, January 17th. A note and permission slip went home yesterday. We would like all slips back by January 14th. We currently have all parent spots filled. Thank you to everyone who offered.

Literacy Night is coming to St. Anthony's. Please mark your calendars for Jan. 24th from 6-8pm. This is a free family event and we hope to have 100% of our students attend. More detail will be coming home soon!
