

2020-21 St. Anthony School Current Reopening Plan

Version date: July 1, 2020

School Mass

At this time school mass will only be attended by 2 or 3 grades. Possible live stream for the remainder of school.

5 Full Academic Days

School will open on August 24, 2020 with a full-day instructional program for K-8 grades.

Protective Equipment

Students will wear face coverings (purchased by the family) when entering/exiting the school and whenever moving in the hallways. Face coverings can be removed once in the classroom.

Healthy Hygiene

Hand sanitizer stations are placed throughout school & classrooms. Daily routines will enable regular hand washing. Routine cleaning of regularly touched surfaces will take place.

Daily Health Precautions

Staff and visitors will have their temperature checked upon arrival. Students will have temperature checked, as normal, if not feeling well.

Physical Distancing Measures

To the extent possible, we will practice physical distancing. Measures will be set up to avoid high-traffic periods such as lunch and recess.

Distance Learning Plan

St. Anthony School is preparing a distance learning plan should stay-at-home orders be reinstated, or a child need to remain at home for an extended period.

Limit Sharing of Materials

There will be no community use of materials. Discontinue the use of water fountains. Utilize water bottles and water filling stations.
