CREATING NEW ROUTINES FOR
SECOND GRADERS!

In Spanish Language Art we are working on reading and talking about the characters, setting and plot in a story. We are also focus on capitalization and punctuation when writing sentences. We will learn about diphthongs in words. We will talk, write and read about pets. Furthermore, we are getting routines for Daily 5 (Reading to Self, reading to someone, working on words, writing and listening to read).

In Math we are reviewing some concepts like days of the week, months, right and left, time, ordinals numbers, counting from 1 to 20, 20 to 1 and from 1 to 100 and 100 to 1 by 10s. We will add doubles numbers.

In Science we are learning about living and not leaving things. Living things grow and change. We will learn the cycle of plants and animals and we will plant a bean seed.

In Religion we are learning about God Creation and ways to take care of it. Now, we are focus on the Holy Trinity and the roles of each person. **Prayers:** Sign of the Cross and Glory Be.

In Art children are enjoying learning about cold and warm colors. We will do different projects by using different techniques (crayons, colored pencils, markers, paint, playdough)
