Classroom parties-Valentine's will just be passing out valentines. We will now celebrate Easter with a party. Concern that \$100 isn't enough to cover parties and gifts for each room. Having trouble getting parents to be involved and help out. Possibly moving it to \$150 next year OR \$10/kid. -Conference dinners are great for teachers. - Thank you for circuits! All teachers use them, may need training, useful for many things. -Book fair is Tuesday of thanksgiving. -Grandparent(friend) day is also Tuesday fo Thanksgiving week. Normalcy for kids, no food, 2 sessions for each section.3-5 starts in Church to share faith, 6-8 open house upstairs. Hoping for parents to be able to be back for parties. Question about vaccine records-is there a need? No.

**Teacher's Report** - Mrs. Eaton- Title 1 math k-3, 6-8. Sees a lot of kids/day.Very experienced and has been in Catholic School whole career. She loves kids. Thankful for snacks, meals for conferences-a great fellowship time. She is an empty nester, kids in college, husband in IT. Computer room is now her room. She and her husband reworked the room to make it her own. Great, safe and fun learning environment for kids. Tardies have gone down which is great!
