

USHERS MINISTRY

To assist Pastor in making the worship service a success; to greet each member with a pleasant smile and a warm welcome; thereby putting the congregation in the right frame of mind to receive the message; to insure the order is kept in the Sanctuary at all times; and to do whatever is possible to advance Gods Kingdom and the Church.

“Blessed is the man that heareth me, watching daily at my gates, waiting at the posts of my door.”

Proverbs 8:34
